

NorCal Premier Soccer League

Team Handbook – 2019-2020 Season

A US Club Soccer Sanctioned League

The goal of this handbook is to provide assistance to clubs, coaches and managers to ensure the NorCal Premier Soccer League (“NorCal”) operates smoothly and is a positive experience for all involved – players, coaches, managers, club officials, referees, and parents.

When competing in NorCal Programs, the club is responsible for overseeing their coaches, players, parents and club personnel – administratively, on and around the field. Each club is responsible for ensuring all club members understand and meet the following requirements and follow NorCal Rules and Code of Ethics.

Quality – Clubs and their teams must be committed to striving for excellence with respect to play, sportsmanship, fields, referees and the total soccer experience.

Director of Coaching – Clubs must have a named Director of Coaching listed on the NorCal website with a working email address. The Director must be familiar with each team in their club and the team’s involvement in the NorCal Programs.

Fields – Clubs should have at least one high-quality field (5-time slots) per eight teams. Teams traveling long distances deserve to play on decent fields! Teams may ask that they play all away games.

Referees – Clubs must have a current USSF certified Referee Assignor and enough current year USSF licensed referees available to cover all their teams entered in a competition.

Administrator – Clubs must have an administrator responsible for helping teams maintain their club and team information on the NorCal website. This person should have a working email address and be available to assist team managers with all administrative tasks.

Good Standing – Clubs must be in good standing with NorCal.

Letter from the President

Hello NorCal Premier Soccer Members,

I would like to begin the new season by congratulating the United States Women's Soccer team for winning the 2019 FIFA Women's World Cup. We are very proud to have Northern California represented on the roster.

I would also like to extend a huge "thank you" to the unsung heroes of club soccer - the parents, the club officials, and the team administrators/managers. Without their oft unseen work in board rooms, at computers, lining fields, and raising scholarship money, club soccer would not be played every weekend. Most are volunteers donating countless hours of time and energy assisting their club to provide a soccer program to players. Please pass on your thanks the next time you see one of these folks around the field.

Over the last few years, we have experienced an unprecedented change in the soccer landscape. From the continual growth of the professional soccer opportunities within the United States to the opportunities being seized by our club-developed male and female players in professional leagues worldwide to the ever-changing club competitive structure, soccer is truly a game on the move. During this time of transition, change, and growth we believe it is vitally important to clarify where we fit into the soccer landscape.

Safe Club Soccer Environment:

Our most important goal is to provide a safe club soccer environment every weekend. From an increased vetting of clubs entering NorCal Premier Soccer to firmer oversight of each club's sideline behavior, we are determined to see all participants honor the "beautiful game". Our affiliation with US Club Soccer ensures each club official has a background check. We encourage everyone to honor the soccer sideline and especially their fellow participants on any given day - the players, parents or fans and of course, the referees. We strongly believe the environment surrounding the club's trainings, games, and general interaction should be a striving, engaging, enjoyable one. Years ago, I had one primary goal, one I set for myself at the beginning of each season...I wanted each player to want to continue playing soccer the following year ...hopefully in my club. I knew if they did continue, they probably enjoyed their soccer, grew as a player, developed enough to their parents' satisfaction and it was a successful season.

Club Competitions:

Our goal is to provide teams with appropriately tiered, local first, then statewide competitions, connected where possible, to season-ending national finals in appropriate age groups. In the younger ages and the lower levels of competition, we seek to avoid unnecessary travel, attempting to create local divisions of play. As teams enter the older age groups and higher levels of play, we still try to avoid unnecessary travel but recognize it becomes more necessary to play games further away. In the younger age groups, we allow Club Directors to assist us in placing their young teams in appropriate

levels of play, lessening the need to win at younger ages, thereby allowing clubs to focus more on developing their players. However, as the players grow older we increasingly use promotion and relegation to determine team placement, thereby gradually increasing the pressure on teams to achieve results, something we believe is important for a striving player's development.

Coach Education and Club Development:

Our goal is to provide top-level coach education. We know better coaches, equal better players and a better soccer environment which equals more enjoyment around soccer - therefore more life long soccer fans. From partnering with US Soccer's Education Department, to working with the German Federation and the San Jose Earthquakes on our Summer Soccer Symposium, to our own Norcal Premier Soccer coaching courses, our goal is to expose coaches to a high level of soccer instruction, hopefully stimulating everyone to improve their craft for the benefit of the players. Included within the education department are courses for club officials, the backbone of every soccer club, responsible for most of the off-the-field work necessary to make sure trainings and games happen within a club. From courses on fundraising to accounting to developing a vision for a club; these courses have become increasingly popular. And we aim to do even more!

Referee Development:

Our goal is to assist CNRA (California North Referee Association) to identify, develop, support and protect the referees. From countless referee courses, in both English and Spanish, to referee assignors courses, to developing referee mentor programs, to following up on your feedback, our referee department's involvement with CNRA and US Soccer is vitally important for the health of the game. Recently, a member of our Referee Department was asked to assist US Soccer in developing a "Respect" campaign - something we believe necessary in today's youth sports environment. We also support the travel of our top referees to tournaments and events around the country in our quest to assist all levels of referees. Please encourage your club members to expect and allow referees to make errors, because they will; but treat them in a positive manner.

Player Development Program (PDP):

Our PDP continues to provide a broad identification and development program. We combine scouting with club recommendations to identify motivated youth players who receive additional training and showcasing opportunities alongside players from outside their clubs. The program has the flexibility to allow players who love the game and work hard to improve, to enter the program throughout the year. From a pathway into the US Club Soccer Id2 program, cooperation with US Soccer's National Training Centers, to competing against local Professional Soccer Academy teams and US Soccer Academy Programs, we seek to assist clubs and their top players in reaching their dreams of playing college and professional soccer. Finally, this past year, 18 boys and 18 girls were selected for the season-ending Gothia Cup in Sweden where the boys advanced to the round of 16 and the girls reached the finals.

Enjoyment around soccer!:

We recognize that players lucky enough to have the desire, ability, and opportunity to play club soccer through high school are more likely to achieve academic success as well as benefit socially with increased confidence while developing many skills necessary to be involved within a team sport. Of course, spending time in cars with their parents may not always seem great to a player at the time, looking back most parents and players will one day cherish the memories built around time spent driving to soccer practice or games. For these reasons, and because we believe there are few things better than playing soccer, futbol, fussball, calico or futebol, we wish everyone a great 2019-2020 season filled with good luck, enjoyment and positive involvement with fellow soccer fans!

Thank you,

Benjamin Ziemer

NorCal Premier League General Rules and Regulations

Applies to all State and Regional Leagues and Cups

Section 1: Administration/ Management

1.1 – NorCal Premier League

The NorCal Premier League, run by NorCal Premier Soccer, is a US Club Soccer sanctioned league and member of the United States Soccer Federation.

1.2 – Governance

All NorCal competitions are governed by regulations approved by the League Office and written in this handbook. The League Office shall rule on all disputes and issues pertaining to NorCal competitions that are not covered in the Code of Ethics. The League Office may overrule rules in this handbook if it is determined to be for the good of the game.

1.3 – Club Definition

In order for a club to be considered a member of NorCal Premier, the following conditions must be satisfied:

1. All teams participating in NorCal events must belong to a single legal entity, with a single leadership structure, a single financial structure, and a single governance structure.
2. All teams participating in NorCal events must have a common Club name, logo, uniform (which should be unique to their club) and practice/play games in the same geographical area of operation.
3. All teams participating in NorCal events must operate under a single technical structure/plan and report to a single Technical Director, Director of Coaching or Executive Director.
4. All players participating in NorCal events must be registered under a single US Club ID.

1.4 - Club Pass Rule

Each US Club Soccer player pass can be used for any age-appropriate team in the issuing club. Thus, players have the ability to move up and down within their club, giving individual teams the ability to make changes game to game due to illness, injury, vacation or other conflicts. It is considered unethical for teams to move players down within a club for the purpose of creating a competitive advantage.

1.5 - Team Management

Overall, clubs are responsible for the management of their teams. In order to compete in NorCal events, each team must have a team manager who oversees the following responsibilities: scheduling games, referee payments, travel cooperation, reporting of scores and communication with appropriate league officials. All team managers must have access to email that is checked on a daily basis and a telephone number connected to a 24-hour answering system during the season.

1.6 - Division Formations

Competitive divisions will be structured according to the playing level of teams as determined by the NorCal League Office, which has final authority on all placement issues. Should NorCal determine there is an insufficient number of teams to constitute an age group division, the teams affected may be allowed to temporarily or partially compete in a different division of play.

1.7 - League Standings

Official standings of teams, the keeping of which is the responsibility of the League Office, are tabulated on a regular basis and displayed on the NorCal website.

1.8 – Play Up Request Guidelines

For teams who wish to request to play up an age group, the NorCal League Office will use the following criteria to determine if a team needs to play up for their development:

1. Team is current State Cup Champion or Finalist within their own age group, AND
2. Team has proven in previous seasons to be a very dominant team within their own age group, OR
3. Team does not have appropriate competition locally and needs to travel significantly in order to find competition within their own age group

Play up requests must be submitted to the League Office. The NorCal League Office has the final say on all Play Up decisions.

1.9 – Teams Requesting to Play Outside their Region

For teams who wish to request to play outside of their region, the NorCal League Office will use the following criteria to determine if a team needs to play in a different region:

1. Availability of competitive divisions within the Region

Section 2: Scheduling and Communication

2.1 – Required Club Contacts

Each club's GotSoccer account needs to be kept up to date with the proper contact information. Please keep in mind that this is the primary method by which NorCal communicates with your club. Failing to have the proper contact information may result in your club missing vital league communication. Each club shall maintain the following club contacts:

- DOC
- President
- Administrator (Primary NorCal contact)
- Referee Assignor

2.2 - Communication Policy

Communication between teams is vitally important for all NorCal events. Each team must have at least 2 different contacts listed on your team's GotSoccer page and ensure that both contacts have an email and phone number listed. All team scheduling communication should be done through the GotSoccer chat system so that there is a proper record of the communication. Team contacts must respond to communication within 48 hours. Listing the wrong email or phone number will not be a valid excuse for not responding to communication. [Chat System](#)

2.3 - Policy for Scheduling Matches

The NorCal League Office will provide dates for all matches along with scheduling deadlines. *Teams are expected to be available to play any time on the game dates provided.* For club-hosted games, home teams should take travel time into consideration. Please do not schedule games before 10 AM if a team is required to travel more than one hour. Please do not schedule games for older ages (U15 and up) before 3 pm on SAT/ACT test dates. All games must be scheduled (time and location) by the deadline provided by the NorCal League Office. After the deadline passes, the schedules are locked and games can only be rescheduled if both teams agree. Teams unwilling or unable to attend games will forfeit the game. Any unplayed games will be documented by league officials and may result in a club being removed from NorCal.

Please Note - If the NorCal Premier League Office feels that a club is responsible for the game not being scheduled or communication from the away team is not responded to in a timely manner, teams may lose home-field advantage but still pay for referees and field costs.

The grace period for kick-off for late arrival of a team to the game is 15 minutes. NorCal encourages games to be completed, but following game(s) should not be impacted by a late-game start. If it is necessary for a game to be shortened due to a late start, both teams and the referee shall agree on having two equal shortened halves.

2.4 – Rescheduling Games

Once a game has been agreed on in writing, both teams must agree on any scheduling change. After the scheduling deadline passes, a date must be set before any change is made to the schedule. *i.e. If a team would like to reschedule a game following the scheduling deadline, a specific reschedule date must be set before the game can be changed.*

2.5 – Rain Outs

In the event of a forced reschedule (i.e. rainout), it is the home team's responsibility to reschedule the match. All rainouts must be rescheduled within 1 week of the original match date.

2.6 - Cancellation/Forfeit Policy

Teams must give their opponent a 96-hour warning if forfeiting any match or they will be required to pay field and referee costs. Please remember that this is a club competition and not an individual team competition. The following is a list of common excuses teams cite for wanting to reschedule or cancel a game. We recommend the following solutions to frequently posed problems:

- Too many players missing (sick, testing, etc.) - Remember that any player from your club is available to participate with your team as long as they are of the correct age. In league matches please use lower team players or players from younger teams within your club to fill out your roster.
- Missing Coach - Any coach with a valid pass for your club is able to coach any team in that club. If your coach has several commitments then it is recommended that teams have an assistant coach or another coach from the club available to cover games.
- No Fields Available - It is expected that if your team is playing in NorCal, you have access to quality fields. This excuse will not be accepted for cancellation of a match.
- Tournaments/other games - NorCal understands that teams will possibly play in a tournament during the league. This will be an acceptable excuse to ask to reschedule a game, but it must be rescheduled by NorCal scheduling deadlines. Please plan your schedule well in advance so your schedule does not become so full that you are unable to fulfill your league commitment.

Section 3: Game Officials

3.1 - Match Officials

Match officials must be current year USSF licensed referees. The match officials shall consist of the referee and two assistant referees except for 7v7/ 9v9 formats of play may be played with one referee. Clubs may elect to use club linesmen for 7v7/ 9v9 formats of play. No match officials, other than club linesmen, may have family members in the game they are working. Club linesmen may only signal when the ball has left the field of play, they may not call offsides or fouls.

3.2 - Assignment of Match Officials

Match officials shall be assigned and paid by the home club for each match. Each club is required to have a current year certified USSF Referee Assignor active in the assignment of referees for all NorCal games in their club & listed in their GotSoccer account. Failure to do so will result in club sanctions from NorCal, including a review of a club's membership.

Section 4: League Discipline

4.1 - Violating League Rules

The NorCal Premier PAD Committee and the NorCal League Office shall have the authority to suspend, fine, disqualify or otherwise impose sanctions on, players, team officials or competing clubs for violating league rules, the NorCal Code of Ethics or for any action or conduct not in the best interest of soccer or the NorCal Premier League.

4.2 - Disciplinary Issues

Any breach of NorCal Rules outlined in this Handbook should be reported to the appropriate Event Coordinator, who will then refer it to the League Office. Any incidents or breach of the NorCal Code of Ethics should be reported through the PAD Incident Report system. All reports of rule violations or breaches of the NorCal Code of Ethics may only be reported by a club's DOC or President.

4.3 - Red Cards

If a Red Card is shown, it will result in a minimum of a one (1) game suspension. This includes a Red Card as a result of two cautions. If a player is sent off during the weekend, they may not play the remainder of the weekend, regardless of which event the Red Card is issued in. Games sat out that weekend will count against the suspension, as long as noted on the roster and/or Referee Game Report as such. Any player used during a suspension will be considered an illegal player and the team, coach and club will be punished accordingly.

4.4 - Red Card Procedure

In any game where a Red Card is issued, the referee must notify the NorCal League Office within 24 hours and the home team must fill out a Send-Off Report at <http://www.norcalreferees.com/sendoff/>.

Each team manager or coach must report any red cards given in their game by stating the league, game number, date and the player/players/coach who received the red card from each team. This should be reported to mshafai@norcalpremier.com.

The player card can be returned to the team as long as the Referee Send-Off Report shows the infraction, the player's name, and ID number. In addition to the send-off report, teams must scan and send the completed [verification form](#) to jmata@norcalpremier.com confirming that suspensions have been served. This should be completed no later than 8:00pm on Thursday for the player to be cleared to play for the upcoming weekend.

4.5 - Suspensions

It is the team's and/or club's responsibility to ensure their Red Carded player/coach serves the minimum 1 game suspension. It is also their responsibility to ensure that their player/coach serves any additional suspension determined by the NorCal PAD committee. There shall be two types of suspensions:

1. Minor Offenses – These include send-offs for normal soccer actions, 2nd yellow cards, etc. Minor offenses will be given suspensions for a number of games.
2. Major Offenses – These include send-offs for violent actions. Major offenses will incur suspensions for an amount of time.

Suspensions for both minor and major offenses, for both players and coaches, shall be served immediately in upcoming NorCal games, regardless of the NorCal competition. The player/coach shall serve the suspension with the team the violation occurred with. Players may not compete for another team in their club in NorCal competitions until their suspension is served in full. However, coaches may coach another team in their club during their suspension but must serve their suspension in full with the team the violation occurred, only if the suspension is a fixed amount of games (as opposed to a period of time).

The NorCal League Office has the ability to postpone or re-allocate suspensions in the best interests of the game and the integrity of the competition. For the avoidance of doubt, Play Date games do count towards suspensions for both players and coaches.

Section 5: Equipment

5.1 - Safety

A player must not use equipment or wear anything which is dangerous to themselves or another player (including all jewelry).

5.2 - Casts

No orthopedic (hard) casts, air splints or metal splints may be worn. Players will be allowed to play in a soft cast at the discretion of the Referee.

5.3 - Jewelry

Absolutely no jewelry, including rings, chains, watches, jewelry, hair clips, bobby pins, earrings, bracelets, rubber bracelets, or abnormally long fingernails may be worn while participating in any NorCal games. Only Medical Alert Warning Bracelets may be worn and shall be taped to secure them to the player's body. Earrings and other piercings cannot be taped and must be removed.

5.4 - Shinguards

All players are required to use shin guards at all times. They must be worn properly and be professionally manufactured and unaltered. Socks must completely cover shin guards.

5.5 - Braces

It is strongly recommended for the safety of the player, that a player does not wear a brace during NorCal games. Braces are allowed as long as the referee decides that the brace will not or cannot hurt the player wearing the brace or any other player. All metal,

metal-like, or plastic brace supports are to be properly covered for the duration of the match. Elastic-type supports without any metal, carbon fiber, hard plastic or like devices are permitted provided the referee does not deem the support to be potentially harmful to other players.

5.6 - Eyeglasses

Players who must wear eyeglasses are encouraged to wear sports goggles. Lenses must be unbreakable and frames must be unbreakable plastic or sturdy metal.

5.7 – Player Uniforms

The two teams must wear colors that distinguish them from each other and also the referee and the assistant referees. *It is recommended that the home team wear dark uniforms while the away team wears light uniforms.* Each goalkeeper must wear colors that distinguish them from the other players, the referee, and the assistant referees. All players on a team except the goalkeeper shall wear identical uniforms (shirts, shorts, and socks).

If there is a conflict in the uniform color, the home team shall change uniforms.

5.8 - Player Numbers

Player numbers must be affixed to the back of the uniform shirt. Each player on a team shall wear a unique number.

5.9 – Undergarments

If undershirts or shorts are worn they must match the main color of the jersey or short. If tape or other material is applied externally to the socks it must be the same color as the part of the sock to which it is applied.

5.10 - Home Team

The home team is the team listed first on the official schedule. The home team will furnish the game balls.

5.13 - Technical Area

NorCal encourages both team benches to be on the same side of the field.

NorCal Premier League Rules and Regulations
Applies to all Youth Premier Leagues, Regional Leagues & Pre-NPL (U12-U13)

Section 1: Competition Rules

1.1 - Playing Rules

All games under league jurisdiction shall be played according to the rules and regulations recognized by the NorCal Premier League which shall be the same rules set by FIFA/ U.S. Soccer (USSF) except for those exceptions authorized by FIFA or USSF.

1.2 - Point System

All NorCal Premier Leagues shall operate under a point system. The point system shall award three points for a win, one point for a tie and no points for a loss.

1.3 - Tie Breakers

In case of a tie on points in the standings within a league, the following will be used as tiebreakers:

1. "Head to head" points (win/lose/draw) between teams
2. Overall Goal Differential (up to 4)
3. Goals for (up to 4)
4. Goals against (up to 4)
5. Most points against the highest non-tied team in the group
6. Best goal differential against the highest non-tied team in the group
7. Most shutouts
8. Fewest red cards
9. Coin toss

In a situation where a season can not be completed due to exceptional circumstances, and teams have played an unequal number of games, NorCal may use Points Per Game (PPG) to decide league standings.

1.5 - Fields

The playing field used by each team must be lined according to USSF standards with goals (games can be played as long as both goals are the same size), nets and flags. The goal of each club shall be to provide an enjoyable experience for the fans, players, officials, and everyone involved with the staging of a soccer game.

In all small sided formats (4v4, 7v7 and 9v9), the use of cones is permitted for the formation of the field lines.

1.6 – Heading Game Rule

For U11 and below, when a player deliberately heads the ball in a game, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If a player does not deliberately head the ball, then play should continue.

This rule shall apply to the age groups of U11 and below. Players who are playing up will play according to the rules of the age group in which they are playing. It is the club's responsibility to understand the effects of this rule on players playing up.

1.7 – No Re-Entry Protocol (for Head Injury)

In accordance with the US Soccer return to play guidelines, any player removed from the field for a suspected head injury will not be allowed to return to the field of play unless cleared by a Healthcare Professional.

1.8 – Healthcare Professional

A healthcare professional is defined as “a licensed healthcare professional such as an athletic trainer certified (ATC), or a physician (MD/DO), with a skill set in emergency care and sports medicine injuries and with knowledge and experience related to concussion evaluation and management.” It will be up to each club to decide whether they will provide a healthcare professional at their matches and to ensure that this individual has the correct certification to be evaluating players for head trauma. If a club plans to use a healthcare professional to evaluate suspected head injuries during a NorCal match, the healthcare professional must be presented to the referee prior to the start of the match. Referees will not allow the re-entry of players removed from the field of play for suspected head injuries unless they are informed of the presence of, and meet with, a healthcare professional prior to the start of the match.

1.9 - Substitutions

As per FIFA guidelines, unlimited substitutions are allowed in all ages group (except for NPL and see NPL rules of competition). However, teams may substitute only with the referee's permission. Substitutes must wait on the sideline (off of the field of play) until

the field player has left the field of play and/or the referee has indicated the substitute may enter the field of play.

Substitutions by either team are allowed at any stoppage of play with the permission of the referee. Referees will be instructed not to allow substitutions that are deemed “excessive” or of a “time wasting” nature. Please be respectful of the integrity of the game and do not use the free substitution rules as a means to disrupt the match.

1.10 – Ties in League Play

If a league game is tied after regulation, the tie stands and will be posted as a tie.

1.11 - Playoffs for League

For matches that need a winner, the team with the most goals after regulation time will be the winner. If the match is tied after regulation for U9-U19 teams, two 5-minute periods will be played. Teams will have a 5-minute break before the first overtime. After 5 minutes, teams will change sides, with no break, and play the remaining 5 minutes. If the game is still tied after the two overtime periods, then kicks from the mark per FIFA rules will determine the winner.

Please make sure you arrive for your game knowing if the game can end in a draw or if a winning team is required.

1.12 - Incomplete games

In the event that a game cannot be completed, the game will stand if half or more of the game was played; provided, however that if any team is directly responsible for the termination of the game, no matter how much of the match remains, due to poor sportsmanship towards a referee, opposing fans, or opposing players, the team will be required to forfeit the match. This could also lead to other sanctions set forth by the NorCal League Office or NorCal PAD Committee. If there is no result, and the match is suspended prior to the expiration of one half, the game shall be replayed at a time agreed upon by the competing teams in consultation with the NorCal League Office. *Referees are required to submit an incident report for all matches that are ended early.*

1.13 - No-Shows

A no-show occurs when a team willfully does not show up to a game agreed to by the teams. The penalty for a no-show shall be a forfeit to the opposing team with a 0-3 score as well as a \$300 fine imposed on the club. One no-show may result in the offending team being removed from the league. Two no-shows in a single season shall result in the offending team’s removal from the competition.

1.14 - Forfeits

A forfeit occurs when a team is unable to attend a scheduled game and the teams are unable to come to terms on a time to reschedule (after the scheduling deadline has passed). A forfeit will result in a 3-0 win to the team not at fault. The forfeiting club will be fined \$300 to cover all referee and field costs if they inform the opponent less than 96 hours before the scheduled game time. A team unable to attend a scheduled game because of an accident, or “Act of God” should immediately notify the opponent and the

League Office. In these circumstances, the League Office will review and rule on the situation.

1.15 - Protests

Team rosters may contain up to 26 players, and there is no limit to the number of changes that can be made to the roster, provided the players are active in the team's club and are not on another club's US Club Roster.

Players may not play for 2 teams in the same division of play (a division of play is a combination of age group and level, ie: two teams from the same club may not share players if they're playing in the same set of division standings). This could also lead to other possible penalties set by the NorCal League Office and the NorCal PAD committee.

1.5 – Fields

The goal of each club shall be to provide an enjoyable experience for the fans, players, officials, and everyone involved with the staging of a soccer game. With that in mind, it is expected that all club hosted fields be of the highest possible quality for NorCal State Cup competition. The playing field used by each team must be lined according to FIFA standards with goals, nets, and flags. If you feel a field is not of proper quality, please play the match under protest and submit the protest to the League Office (view section on protests).

1.6 – Heading Game Rule

For U11 and below, when a player deliberately heads the ball in a game, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If a player does not deliberately head the ball, then play should continue.

1.7 – No Re-Entry Protocol (Head Injury)

In accordance with the US Soccer return to play guidelines, any player removed from the field for a suspected head injury will not be allowed to return to the field of play unless cleared by a Healthcare Professional.

1.8 – Healthcare Professional

A healthcare professional is defined as “a licensed healthcare professional such as an athletic trainer certified (ATC), or a physician (MD/DO), with a skill set in emergency care and sports medicine injuries and with knowledge and experience related to concussion evaluation and management.” It will be up to each club to decide whether they will provide a healthcare professional at their matches and to ensure that this individual has the correct certification to be evaluating players for head trauma. If a club plans to use a healthcare professional to evaluate suspected head injuries during a NorCal match, the healthcare professional must be presented to the referee prior to the start of the match. Referees will not allow the re-entry of players removed from the field of play for suspected head injuries unless they are informed of the presence of, and meet with, a healthcare professional prior to the start of the match.

1.9 – Substitutions

As per FIFA guidelines, unlimited substitutions are allowed in all ages group (except for NPL and see NPL rules of competition). However, teams may substitute only with the referee's permission. Substitutes must wait on the sideline (off of the field of play) until the field player has left the field of play and/or the referee has indicated the substitute may enter the field of play.

Substitutions by either team are allowed at any stoppage of play with the permission of the referee. Referees will be instructed not to allow substitutions that are deemed “excessive” or of a “time-wasting” nature. Please be respectful of the integrity of the game and do not use the free substitution rules as a means to disrupt the match.

1.10 - Ties in Group Round

If a NorCal State Cup Group Stage (U14-U19) or First/ Second Round (U9-U13) match is tied after regulation, the tie stands and will be posted as a tie.

1.11 - Matches Needing a Winner

For matches that need a winner, the team with the most goals after regulation time will be the winner. If the match is tied after regulation, two full-time 5-minute overtime periods will be played. If the game is still tied after two overtime periods, then kicks from the mark per FIFA will determine the winner.

Make sure you arrive for your game knowing if the game can end in a draw or if a winning team is required.

1.12 - Incomplete games

In the event that a game cannot be completed, the game counts if half or more of the game was played; provided, however that any team directly responsible for the termination of the game due to poor sportsmanship towards a referee, opposing fans, or opposing players will result in that team forfeiting the match. This could also lead to other possible penalties set by the NorCal League Office and the NorCal PAD committee. If there is no result, and the match is suspended prior to the expiration of one half, the game shall be repeated at a time agreed upon by the competing teams in consultation with the League Office.

1.13 - No-Shows/forfeits:

Until the Quarter-finals, all forfeit situations in the Younger Cup (U9-U13) are handled by the League Office to make sure that the gaining or losing of points by forfeit does not elevate or lower teams into divisions that will have a harmful impact on the event.

A no-show occurs when a team willfully does not show up at a game. Penalties for no-shows are as follows:

- \$300 fine
- A “no show” from the home team will result in the rescheduling of the game and the loss of home field.
- A “no show” from the away team will result in the rescheduling of the game and the away team paying for the field and referees for the rescheduled game.

- A report regarding all no-shows will be sent to the League Office for possible further action. A team unable to attend a scheduled game because of an accident, weather or “Act of God” should immediately notify the opponent and the Tournament Coordinator. Each situation will be reviewed by the League Office, which will render a decision.

1.14 - State Cup Championships

Only the “NorCal State Division” Champion will be considered State Champion in each age group. All other Championship teams must affix the divisional category in front of their Championship (i.e. 2019 Gold Cup Champions).

Section 2: Rosters

2.1 – Player Registration

All players shall be registered according to US Club Soccer rules.

2.2 – NorCal State Cup Official Team Roster

Each team must create their official NorCal State Cup Roster on their team’s GotSoccer online account. Rosters will be capped at 26 players, and once frozen, teams may only use players off this 26-player roster. Roster freeze dates will be posted on the NorCal State Cup Calendar. After the first group stage, there will be a short window during which non-cup-tied players will be allowed to be added for the remainder of the competition. These dates will be adjusted due to the scheduling of games so please check the State Cup website for exact dates.

2.3 – Game Roster

Only players who are listed on the official Game Card will be eligible to play in NorCal State Cup matches. Player’s names may not be handwritten on the NorCal Game Card. 2.5 – Guest Players

No Guest Players will be allowed.

2.6 – Illegal Players

Any player who does not appear on the official NorCal Game Card and has a valid US Club Soccer player pass issued by the same club shall be considered an illegal player. Any team using, or attempting to use, an illegal player shall forfeit the game, the coach of the team using the illegal player will be suspended from the NorCal Premier League and all of its events for one year, and the club of the illegal player will incur a \$500 fine.

2.7 – “Cup Tied”

Players may only compete for one team per age group in the NorCal State Cup. A club may place players on more than one 26-player team roster but players may not play on two different teams in the same age group. A player may play up in an older age group while competing in their true age group. Once a player plays for a team in a specific age group that player is “Cup Tied” to that team in that age group. The player may not play for any other team in that age group for the remainder of the NorCal State Cup.

2.8 – Emergency Player Rule

Teams that drop below 12 players for U13 and up, 10 players for U11-U12 and 8 players for U9-U10 may request, from the NorCal League Office, the ability to add players that were registered with their club prior to the roster freeze date, but were not on the State Cup roster.
